1. Different GST Rates
2. HSN (Harmonized System of Nomenclature) and SAC (Services Accounting Code) Codes
3. Reverse Charge Mechanism

Module 4: Input Tax Credit (ITC)

1. Concept of Input Tax Credit
2. Conditions for Availing ITC
3. Blocked Credits

Module 5: GST Returns and Filing

1. Types of GST Returns
2. Filing Process and Due Dates
3. Annual GST Return

Module 6: GST Audit and Assessments

1. GST Audit
2. Assessment Procedures
3. Rectification and Appeals

Module 7: GST and International Trade

1. Import and Export under GST
2. Export Incentives and Schemes
3. GST and Customs Duties

"Namaskar dosto, aur swagat hai aap sabka hamare iss series mein, jo vyaktigat Finance ke vishay par adharit hai. Aaj, hum aayenge income tax ke duniya mein. Shuruaat karenge income tax ke mool siddhanton se, yani uska arth kya hai aur iski kya avashyakta hai."

Income Tax Ki Paribhasha:

"Toh, income tax kya hota hai? Iski mool paribhasha yeh hai ki yeh ek aisa vidhi hai jise sarkar vyaktiyon aur vyavsayon par unki kamai ke adhar par lagaati hai. Yeh aapki kamai ka ek hissa hota hai, aur iska upayog sarkar dwara pradan kiye jaane wale saarvajanik sevaon aur sarkari kriyakalapon ko arthik rup se sahayata karne ke liye hota hai."

Income Tax Ke Uddeshya:

"Ab, chaliye baat karte hain ki income tax ka uddeshya kya hai. Income tax ke uddeshya ko samajhna hume iske samaj mein kyun zaroori hai, iske kai pehluon ko samajhne mein madad karta hai."

1. Sarkari Kriyakalapon ko Saarthak Banana:

"Sabse pehla uddeshya hai sarkari kriyakalapon aur sevaon ko saarthak banana. Isme shaamil hai sab kuch, sadkon aur pulon ki dekhbhal se lekar shiksha, swasthya aur rashtriya suraksha jaise zaroori sevayein."

2. Dhan ki Punravritti:

"Income tax ek punravritti ka bhi sadhan hai. Sarkarein pragatisheel tax vyavastha ka istemal karti hain, yani aapki kamai badhti hai, toh lagne wala tax bhi badh jaata hai. Isse arthik asaman ko kam karne mein madad milti hai, kyun ki jyada dhan wale se jyada lena aur kam dhan wale se kam lena ek prakar se samaj mein ekaisi vyavastha banaata hai."

3. Arthik Sthirata mein Yogdan:

"Ek aur mahatva purna uddeshya hai arthik sthirata mein yogdan dena. Sarkarein kar dar ko badal kar arthik gatividhi ko tez ya dhima karne ke liye kar dar ko anukoolit kar sakti hain. Arthik mandi ke dauran, woh kar dar ko kam kar sakti hain taki vyay badh sake, aur arthik samridhi ke dauran, woh kar dar ko badha sakti hai taaki vyay kam ho."

4. Samajik Abhiyantrana:

"Vishesh roop se, income tax samajik abhiyantrana ka bhi ek sadhan hai. Sarkarein aksar tax incentive ka istemal karti hain taki vishesh vyavhaar ko badhawa diya ja sake, jaise ki naviin urja mein nivesh, ghar kharidne ki yojna, ya punyatmak yogdan."

Nirnay:

"Ant mein, income tax hamare arthik manch ka ek mahatva purna pehlu hai. Yeh hamari samaj mein saarvajanik seavaon ko arthik rup se sahayata karta hai, arthik asaman ko kam karne mein madad karta hai, arthik sthirata mein yogdan deta hai, aur samajik vyavhaar ko rachne mein bhi sahayak hota hai. Toh, agle baar jab aap apna tax return bhar rahe hain, tab yeh yaad rakhiyega ki aap apne samaj aur desh ki samany samridhi mein ek yogdan de rahe hain."

"Dhanyavaad aap sabka aaj humare saath the. Agar aapko yeh jaankari sahayak lagi ho, toh mat bhooliye like, share, aur subscribe karna. Aur hamesha ki tarah, agar aapke paas koi prashna ya humse koi vishay prastut karne ka anurodh ho, toh niche ek comment chhod dijiye. Agle baar milenge, tab tak ke liye, dhyan rahe."
